

Little GIANT[®] Pump Company

Water Alarm

INSTRUCTIONS 1. Remove the 2 screws from the back of the larger unit and attach a 9 volt battery (alkaline recommended), being sure to press the clips firmly in place. 2. Reassemble the two halves. 3. Press test bar and hold for 2 seconds. If the unit is properly assembled, the alarm buzzer should sound. 4. For leak detection: Place the sensor (suction cup up) at the lowest point of the floor or other horizontal surface where water collects. 5. For filling pools, tubs, spas, etc. Use suction cup to attach sensor to smooth verticle surfaces. The buzzer will sound when water reaches the 2 metal contact on the sensor. 6. The alarm sensor's buzzer may continue to sound even after it has been removed from the water. If so, remove it's battery and allow the alarm sensor to dry for approximately 2 hours.

INSTRUCTIONS 1. Quite los 2 tornillos de la parte posterior de la unidad mayor y conecte una batería de 9 voltios (se recomienda una batería alcalina), asegurándose de oprimir los broches firmemente en su lugar. 2. Vuelva a ensamblar las dos mitades. 3. Oprima la barra probadora y sosténgala durante 2 segundos. Si la unidad está ensamblada correctamente, debe sonar el zumbador de la alarma. 4. Para detectar fugas: coloque el sensor (con la ventosa de succión hacia arriba) en el punto más bajo del piso u otra superficie horizontal donde se acumule el agua. 5. Para llenar piscinas, tinas de baño, tinas de masaje, etc. Utilice la ventosa de succión para fijar el sensor a superficies verticales lisas. El zumbador sonará cuando el agua llegue al contacto bimetálico del sensor. 6. El alarma sensor's el zumbador puede continuar a sonar igualar después de de se ha quitado desde el agua. Si tan, quitar su pila y permitir el alarma sensor secar para aproximadamente dos horas.

INSTRUCTIONS 1. Enlevez les 2 vis situées à l'arrière du plus gros des deux dispositifs, et placez une pile 9 V (pile alcaline recommandée) en ayant soin de bien appuyer sur les attaches pour les mettre en prise. 2. Revissez les deux moitiés. 3. Appuyez sur la barre d'essai et maintenez-la ainsi pendant 2 seconds. Le vibreur devrait retentir si le dispositif fut correctement assemblé. 4. Détection des fuites: Placez le détecteur (la ventouse orientée vers le haut) au plus bas niveau du sol ou de toute autre surface horizontale où l'eau s'accumule. 5. Remplissage d'une piscine, d'une baignoire, d'une cuve à remous, etc. Utilisez la ventouse pour fixer le détecteur sur une surface verticale lisse. Le vibreur retentira quand l'eau atteindra les deux contacts métalliques du détecteur. 6. La sonnerie de détecteur d'alarme peut continuer à solide même après lui a été enlevé de l'eau. Si si, enlever sa batterie et permettre le détecteur d'alarme à sécher pour à-peu-près deux heures.

LITTLE GIANT[®] WARRANTY STATEMENT

LIMITED WARRANTY: Your Little Giant[®] product is guaranteed to be in perfect condition when it leaves our Factory (301 N. MacArthur Blvd., Okla. City, OK 73127-6616, USA). It is warranted against defective materials and workmanship for a period of 30 days from date of purchase by the user. Any product that should fail and is still within the warranty period, will be repaired or replaced if returned prepaid to our Factory. All defective products returned under warranty will be fully inspected to determine "CAUSE OF FAILURE" before any warranty is approved. Little Giant[®] will honor the warranty within the warranty time period specified on satisfactory written proof of purchase.

DISCLAIMER: Any oral statements about the product made by the seller, the manufacturer, the representatives or any other parties, do not constitute warranties, shall not be relied upon by the user, and are not part of the contract for sale. Seller's and manufacturer's only obligation, and buyer's only remedy, shall be the replacement and/or repair by the manufacturer of the product as described above. Neither seller nor the manufacturer shall be liable for any injury, loss or damage, direct, incidental or consequential (including, but not limited to, incidental or consequential damages for lost profits, lost sales, injury to person or property, or any other incidental or consequential loss), arising out of the use or the inability to use the product, and the user agrees that no other remedy shall be available to it. Before using, the user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith.

THE WARRANTY AND REMEDY DESCRIBED IN THIS LIMITED WARRANTY IS AN EXCLUSIVE WARRANTY AND REMEDY AND IS IN LIEU OF ANY OTHER WARRANTY OR REMEDY, EXPRESSED OR IMPLIED, WHICH OTHER WARRANTIES AND REMEDIES ARE HEREBY EXPRESSLY EXCLUDED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Any misuse, abuse, modification, or attempted modification of the product shall void this warranty. Warranty statement is available in Spanish and French on request. Une garantie en espagnol et en français est disponible sur demande. La Declaracion de Garantia se encuentra disponible bajo pedido en español o frances.
